Dear Sindhuja,

I am writing to provide an update on the progress of our group project. So far, we have completed the initial research, discussed the project requirements, and made progress on the main components of the project.

We have faced a few challenges, particularly with coordinating everyone's schedules and resolving some technical issues. However, we are working together to address these problems and keep the project on track.

Based on our current progress, we expect to complete the project by Monday. We will continue working on the remaining tasks and ensure that everything is completed properly before the deadline.

Please let me know if you need any further details regarding our progress.

Best regards,  
Vaishali Sharma
